To Whom It Concerns,

FCC (Adams) is a supplier to Ford, GM and Fiat Chrysler. We supply clutch modules for automatic transmissions for trucks, and cars to these customers directly. They are labeled as "critical essential infrastructure work" and have labeled us as an essential supplier.

In section 11 of the Governor's Executive Order, it states 'For purposes of this Executive order, individuals may leave their homes and residences in order to provide any service or to perform any work necessary to offer, provision, operate, maintain, and repair Essential Infrastructure.'

Essential businesses and operations in the manufacturing industry include:

- Manufacture, Distribution, and Supply Chain for Critical Products and Industries
 - **Manufacturing companies, distributors, and supply chain companies producing and supplying essential products and services** in and for industries, such as healthcare, pharmaceutical, technology, biotechnology, chemicals and sanitation, agriculture, waste pickup and disposal, food and beverage, **transportation**, energy, steel and steel products, petroleum, fuel, mining, construction, national defense, communications, and products used by other Essential Business and Operations.
- Supplies for Essential Businesses and Operations
 - Businesses that sell, manufacture, and/or supply other Essential Businesses and Operations with the **support or materials necessary to operate.**

Thank you,

Sandra Affolder, Administrations Manager
